RULE CHANGES

It was announced last fall that Clipd will provide NCAA golf scoring and ranking services moving forward. Several MIAC tournament hosts will also utilize Clipd for live scoring during the regular season. More information and links regarding live scoring for the MIAC Championships will be added to the respective championship pages in the coming weeks.

MIAC APP

The MIAC [mobile app](#) remains free to fans and can be downloaded on both the [Apple App Store](#) and the [Google Play Store](#) for Android devices. The app includes news, standings, and links to follow scores and stats in real-time.

AWARD WATCH

The MIAC Men's and Women's All-Conference honorees will be announced in May and consist of 15 players for each sport. The top 10 finishers from the MIAC Golf Championships in October will automatically earn All-Conference distinction. Coaches will also vote for five additional All-Conference honorees based on their play in both the fall

and spring segments of the season. In addition to All-Conference honors and any honorable mention distinctions, coaches will also vote for Player, Rookie, and Coach of the Year awards in the spring. To be eligible for Rookie of the Year honors, a student-athlete must be a true college first-year student (not a transfer from another institution or an academic sophomore/junior/senior who has not used eligibility).

Throughout the regular season, the MIAC will recognize top individual performances with the MIAC Golf Athlete of the Week awards. Golf Athlete of the Week awards will be issued throughout the academic year when at least three MIAC teams have competed in a given week and nominations for outstanding performances have been submitted.
