AWARD WATCH

The MIAC Men's and Women's All-Conference honorees will be announced in May and consist of 15 players for each sport. The top 10 finishers from the MIAC Golf Championships in September and October will automatically earn All-Conference distinction. Coaches will also vote for five additional All-Conference honorees based on their play in both the fall and spring segments of the season. In addition to All-Conference honors and any honorable mention distinctions, coaches will also vote for Player, Rookie, and Coach of the Year awards in the spring. To be eligible for Rookie of the Year honors, a student-athlete must be a true college first-year student (not a transfer from another institution or an academic sophomore/junior/senior who has not used eligibility).

Throughout the regular season, the MIAC will recognize top individual performances with the MIAC Golf Athlete of the Week awards. Golf Athlete of the Week awards will be issued throughout the academic year when at least three MIAC teams have competed in a given week and nominations for outstanding performances have been submitted.
