## Tiebreakers

The conference post-season playoff will be seeded based on place finish in round robin play. Ties will be broken as follows:

1. Head-to-head record among all tied teams
2. Most wins in conference play
3. Results against other teams in the playoffs
4. Goal differential (capped at three-goal difference per game)
5. Lowest goals against in conference play
6. If the teams are still tied, seeding will be determined by a points system: The points are determined by adding up the position numbers of the conference teams that the tied teams defeated and the lowest point total will be the highest seed
7. Goal differential (capped at three goal difference per game)
8. Coin toss

### MULTIPLE TEAM TIE BREAKER

After an order is selected using the tie breaking procedure, if teams remain tied then all remaining tied teams will revert to the beginning of the tie breaking procedure. If at any point one of the tiebreaker criteria separates one or more of the teams involved in the multiple-team tie, said teams will be separated out, and any remaining teams will return to criteria No. 1.
