Tournament Seeding Tie Breakers

1. Head to head record against tied teams.
2. Cumulative record against each team from the bottom up of those teams tied. (i.e. if two teams are tied and have split their doubleheader, the record against the #12 team will be considered. If teams are still tied, then record against the #11 team will be considered and so on until the tie is broken).

3. Record of those teams tied versus teams .500 and above at completion of regular MIAC season (MIAC contests only).
4. Coin flip.
