RULE CHANGES

The NCAA Men's and Women's Soccer Rules Committee and the Playing Rules Oversight Panel [approved several rule changes for the 2024 and 2025 seasons](#) last spring. The NCAA has changed its postseason overtime to a sudden-victory (golden goal) format for conference and NCAA Championship postseason play, while regular season games will continue to end in a tie if there is not a score difference at the end of regulation. Beginning this season, the clock will also be stopped on substitutions made by the leading team, or if the game is tied, in the final 15 minutes of regulation play and all of overtime. The NCAA also established its [annual points of emphasis for the season](#), which include coaching and team area decorum, proper implementation of substitution rules, and correctly identifying violent behavior and fighting infractions.
