

MIAC honors record number of Fall Academic All-Conference selections

Posted: Jan 24, 2013

ST. PAUL, Minn. -- The 2012 Fall semester was a record-setting term in the classroom for Minnesota Intercollegiate Athletic Conference (MIAC) student-athletes. The conference announced its Fall 2012 Academic All-Conference honorees, and the 330 selections set a new standard of academic excellence for MIAC fall sports. The honorees were recognized for their combined achievements on the field and in the classroom.

The 330 significantly passes the previous conference record for fall honorees, which was set a year ago when the league recognized 311 student-athletes. Academically, student-athletes must be a sophomore, junior, or senior with a minimum cumulative GPA of 3.5 on a 4.0 scale to qualify for MIAC Academic All-Conference recognition. The fall sports recognized included men's and women's cross country, football, men's and women's golf, men's and women's soccer and volleyball.

Women's soccer, and its 80 Academic All-Conference selections, led the way among all fall sports, with football close behind with 70 honorees. There were 50 women's cross country runners who earned the distinction, 43 were honored in men's soccer and volleyball had 33 Academic All-Conference picks. Men's cross country featured 30 honorees, while 14 women's golfers and nine men's golfers also earned the MIAC award. In all, there were 176 women student-athletes to earn Academic All-Conference distinction, and 153 men's student-athletes to receive the honor. Out of the 330 honorees, 217 are from Minnesota, 109 are from elsewhere in the United States, and four are international students.

Athletically, student-athletes in team sports must compete in 50 percent of their team's regular-season varsity contests. The team sports eligible were football, volleyball, men's soccer and women's soccer. Cross country student-athletes were required to finish in the overall top 50 or their team's top seven at the MIAC Championship. Golfers were required to be a member of the competing team at the MIAC Championships to be eligible for the honor.

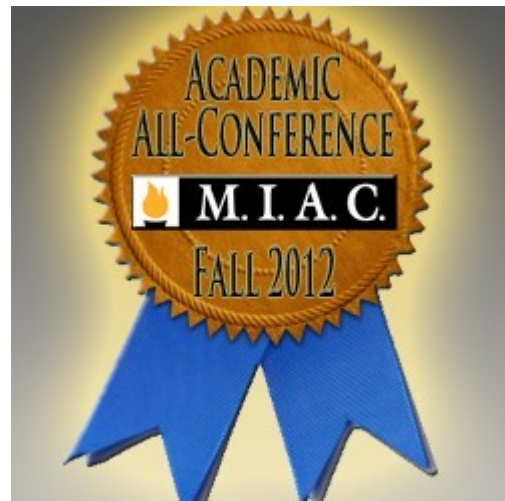

MIAC Academic All-Conference awardees are announced twice annually, after the completion of the fall and spring academic semesters. The MIAC Winter/Spring 2012-13 Academic All-Conference selections will be announced in late June. The MIAC Academic All-Conference archives can be accessed [here](#). The complete list of MIAC Fall 2012 Academic All-Conference honorees is below, classified alphabetically, first by sport, then school.
