

MIAC recognizes record 357 Fall Academic All-Conference honorees

Posted: Jan 22, 2016

BLOOMINGTON, Minn. -- Each season, student-athletes in the Minnesota Intercollegiate Athletic Conference (MIAC) continue to raise the bar with their combined performance in athletics and in the classroom. That was the case again in the fall of 2015, as the MIAC honored a record number 357 student-athletes with Academic All-Conference honors.

The MIAC saw its total of Fall Academic All-Conference honorees rise for the fourth-straight year with its new record total of 357, which narrowly bettered 2014's previous record of 356. That continued the upward trend of honorees, starting with 301 in 2011, 330 and 2012 and 334 in 2013. The Academic All-Conference awards are a combined recognition of excellence in academics and athletics, designed to honor the very best all-around student-athletes in the conference each year.

To earn Academic All-Conference honors, MIAC student-athletes must be a sophomore, junior or senior with a minimum cumulative grade point average (GPA) of 3.5 on a 4.0 scale while also meeting sport-specific athletic requirements, making the award a perfect blend of the balanced excellence championed by the MIAC and NCAA Division III.

The sport-by-sport numbers were just as impressive as the overall total on the Fall 2015 Academic All-Conference list. Women's Soccer led the way with 85 selections, and football wasn't far behind with 77 student-athletes honored. Women's cross country had 58 honorees, volleyball had 52, and there were 51 men's soccer players who received the honor. There were also 34 men's cross country runners to receive the award.

Athletically, student-athletes in team sports must compete in 50 percent of their team's regular-season varsity contests. The team sports eligible were football, volleyball, men's soccer and women's soccer. Cross country student-athletes were required to finish in the overall top 100 or their team's top seven at the 2015 MIAC Cross Country Championship.

MIAC Academic All-Conference teams are announced twice annually, after the completion of both the fall and spring academic semesters. The MIAC Winter/Spring 2015-16 Academic All-Conference selections will be announced in late June. The MIAC has an [online archive](#) of Academic All-Conference honors. The complete list of MIAC Fall 2015 Academic All-Conference honorees is below, classified by sport, then school, in alphabetical order.
