FOOTBALLERS COMPLETE GRID CAREERS

After contributing invaluable service to Coach George Myrum's championship teams, these four seniors completed their grid careers against the Oles last Saturday with a brilliant victory. Stellar players every one of them, they will be sorely missed in next year's edition of the Gusties. They were honored this year by being placed on one of the two Weekly all-state teams. Left to right: Len Hall, Tenny Nordstrom, Ray Sponberg, Duke Wellington.
