

# Roberts Wins Twin All-MIAC Berths

The selection of Cal Roberts of Gustavus to both the offensive and defensive teams highlighted the Minnesota Intercollegiate Athletic conference's all-star football squad, named by conference coaches Saturday.

Gustavus won seven of 22 positions, Concordia and Hamline four each.

Roberts, a 232-pound tackle from St. Peter, was the only player honored on both units as the MIAC coaches picked a two-platoon squad for the first time.

Bill Christopherson, St. John's university's great all-around player, was named at a defensive end post.

There were no unanimous choices. Roberts at offensive tackle and Concordia's Don Kerlin at offensive

halfback came closest with eight out of the nine coaches voting for them.

Gustavus fullback Rog Carlson, Hamline defensive tackle Bill Wesch and Gustavus linebacker Jim Malmquist missed by two votes.

Roberts, Kerlin and Gustavus halfback Francis Bradley were the only repeaters from last year's 11-man honor team.

On the honorable mention list were tackle Dick Coy, guard Jerry Hovey, center Maurice Chevalier and backs Ardell Villandre and Clem Schoenbauer of St. John's.
