Minnesota College conference coaches this week reflected the ease with which Gustavus Adolphus won its fifth straight football championship by giving 13 Gusties some type of mention in balloting for the Minneapolis Sunday Tribune all-MIAC team.

Four of the champs, headed by guard Gene Nei who was the only player in the conference to receive a unanimous vote, won first team honors.

JOINING NEI on the top team from Gustavus were center Jack Henderson and half-backs Don Hausken and Tom Mann who tied with Macalester's

Two other Gusties made the second team and seven received honorable mention. Four Gustavus tackles, each of whom saw about equal action this season, were named — Carleton Anderson on the second team and Don Swanson,

Twelve players were named to both the first and second team because of ties. On the second team it was a case of Harry La Rose of St. John's and John Bymark of Duluth Branch deadlocking at center.

First team ends Dick Stensrud, brilliant all-around Augsburg star, and pass-catching standout Dick Donlin of Hamline won out easily.

THREE St. John's linemen — tackles Dick Coy and Jim Sexton and guard Chuck Froehle — also received solid backing.

It was a different story in the backfield. Dale Sandstrom, the boy who made second place Concordia go, according to Coach Jake Christenson, and St. Thomas' Bernie Raetz were heavy vote-pullers.

But the coaches had a tough time deciding among the other seven who won first or second team spots and Hamline's Rasmussen twins and Denny Monahan of St. Thomas who wound up with honorable mention.
