

CHAMPION ST. JOHN'S TOPS MIAC ALL-CONFERENCE TEAM

St. John's University, this year's MIAC Football Champion with an 8-1 record, placed ten men on the first and second teams of the All-MIAC Football Team. John Gagliardi, St. John's legendary coach was selected by his fellow coaches as the conference Coach of the Year.

St. Thomas, who tied with Concordia for second place in the conference, had six players make the first team and two the second. Macalester placed eight men overall, while Concordia, Carleton, Hamline and St. Olaf all placed five. Gustavus had three, Bethel and Augsburg each had two players make the first and second all-conference teams.

The first team offensive unit was made up of all seniors, except for tight end Mark Peters of Macalester who is a junior. The defensive unit has eight seniors, three juniors and two sophomores. The two sophomores are noseguard Jim Southwick from Concordia and tackle Jim Radford from St. Thomas.

The offense is led by quarterback Dan Gray, a record setting three-year starter for St. Thomas and senior running backs Mike Zumwinkle of St. John's, Todd Hyde from Macalester, and league leading scorer and rusher Dave Hawkinson from Hamline.

The defense is led by St. Thomas' Neal Guggemos, a senior who played both offense and defense for much of the season, holds the Tom's interception record and is second in MIAC pass receiving. Guggemos is a legitimate small college All-American candidate.
