Playoff Seeding Tie Breakers

The conference post-season playoff will be seeded based on place finish in round robin play. Ties will be broken as follows:

1. Head to head competition between tied teams
2. Most wins in conference play
3. If the teams were tied in head to head competition and number of wins, seeding will be determined by a point system: The points are determined by adding up the position numbers of the conference teams that the tied teams defeated and the lowest point total will be the highest seed.
4. Lowest goals against in conference play
5. Most goals scored in conference play
6. Coin toss
