Playoff Tiebreakers

- Head-to-head record (if there are more than two teams, then overall record against the tied teams will be used)
- Total individual singles and doubles matches won against tied teams, so if there are three tied teams and the results are as follows:
Team A defeated Team B: 7-2
Team B defeated Team C: 5-4
Team C defeated Team A: 8-1
Team C would be the higher seed with 12 matches won, Team A would be second with 8 matches won, and Team B would be third with 7 matches won.
- Record against teams above tied teams.
- Total individual singles and doubles matches won against all teams above tied teams.
- Total individual singles and doubles matches won in all MIAC play.
- Coin flip.

*After an order is selected using the tie breaking procedure, if teams remain tied then all remaining tied teams will revert to the beginning of the tie breaking procedure. If at any point one of the tiebreaker criteria separates one or more of the teams involved in the multiple-team tie, said teams will be separated out, and any remaining teams will return to criteria No. 1.
