PLAYOFF SEEDING TIEBREAKERS

1. Head-to-head record in regular-season conference play is the first tiebreaker - even if only one game is played between the tied games.
2. In a scenario where more than two teams are tied - if one of the tied teams swept all the other teams, they would rise to the top in the head-to-head comparison.
3. Conversely, if one of the teams was swept by all teams they are tied with, they drop to the bottom in the head-to-head comparison.
4. If two teams remain tied after the multiple-team tie has been broken - compare head-to-head again.
5. If the two teams split or a multiple-team (3+) tie remains - go to the next step
6. Point rating system - conference games only
7. Points shall be awarded for each contest played. The points shall be awarded as follows:

- 7 points - win over a .750 or better team on the road
- 6.5 points - win over a .750 or better team at home
- 6 points - win over a .500 or better team on the road
- 5 points - win over a .500 or better team at home
- 4.5 points - win over a .250 or better team on the road
- 4 points - win over a .250 team or better at home
- 3.5 points - win over an under .250 team on the road
- 3 points - win over an under .250 team at home
- 2.5 points - loss at home or on the road to a .750 or better team
- 2 points - loss to a .500 or better team at home or on the road
- 1 points - loss to a .250 or better team at home or on the road
- .5 points - loss to an .250 team on the road
- 0 points - loss to an under .250 team at home

8. Compare win-loss percentage vs. teams who finished highest in standings in descending order until an advantage is gained.
 9. Coin flip
