

MIAC recognizes 301 Fall 2011 Academic All-Conference honorees

Posted: Feb 15, 2012

ST. PAUL, Minn. -- The Minnesota Intercollegiate Athletic Conference (MIAC) announced its Fall 2011 Academic All-Conference honorees today, Wednesday, Feb. 15, 2011, and more than 300 student-athletes from the league's 13 member institutions were recognized for their contributions on the field and their excellence in the classroom.

The MIAC recognized an impressive 311 student-athletes from its sponsored fall sports with Academic All-Conference distinction. That total is the most in MIAC history, eclipsing the previous conference record of 305, set in 2009 and equaled in 2010. Academically, student-athletes must be a sophomore, junior, or senior with a minimum cumulative GPA of 3.5 on a 4.0 scale to qualify for MIAC Academic All-Conference recognition. The fall sports recognized included men's and women's cross country, football, men's and women's golf, men's and women's soccer and volleyball.

Athletically, student-athletes in team sports must compete in 50 percent of their team's regular-season varsity contests. The team sports eligible were football, volleyball, men's soccer and women's soccer. Cross country student-athletes were required to finish in the overall top 50 or their team's top seven at the MIAC Championship. Golfers were required to be a member of the competing team at the MIAC Championships to be eligible for the honor.

There were 28 men's cross country student-athletes honored, 46 from women's cross country, 69 football players, nine men's golfers, 12 women's golfers, 41 men's soccer players, 67 women's soccer student-athletes and 39 volleyball players. In all, there were 164 women student-athletes to earn Academic All-Conference distinction, and 147 men's student-athletes to receive the honor. Out of the 311 honorees, 201 are from Minnesota.

MIAC Academic All-Conference awardees are announced twice annually, after the completion of the fall and spring academic semesters. The 2010-11 winter and fall Academic All-Conference honorees are listed below, classified alphabetically first by sport, then school.
