

MIAC honors 2011-12 Winter and Spring Academic All-Conference teams

Posted: Jun 21, 2012

ST. PAUL, Minn. -- The Minnesota Intercollegiate Athletic Conference (MIAC) announced its Winter and Spring 2011-12 Academic All-Conference honorees Thursday, and more than 450 student-athletes from the league's 13 member institutions were recognized for their contributions on the field and their excellence in the classroom.

The MIAC recognized an impressive 451 student-athletes from its sponsored winter and spring sports with Academic All-Conference distinction. That is the second-highest total in conference history, with only the 454 recognized during the 2010-11 winter and spring seasons eclipsing this year's total. Combined with this fall's record total of 311 honorees, the MIAC recognized a total of 762 Academic All-Conference selections in 2011-12, which is a new conference record, edging the previous best of 759 in 2010-11. Academically, student-athletes must be a sophomore, junior, or senior with a minimum cumulative GPA of 3.5 on a 4.0 scale to qualify for MIAC Academic All-Conference recognition.

Athletically, student-athletes in team sports must compete in 50 percent of their team's regular-season varsity contests. The team sports eligible were baseball, men's and women's basketball, men's and women's hockey, softball and men's and women's tennis. Swimming and diving student-athletes must qualify for the conference finals to be eligible and both indoor and outdoor track and field student-athletes must finish in the top eight in an individual event or be on a top-three relay team at the MIAC Championships to be eligible for the honor. Though their split season continued this spring, golf student-athletes were honored earlier this year as a fall sport.

MIAC Academic All-Conference awardees are announced twice annually, after the completion of the fall and spring academic semesters. The 2011-12 winter and spring Academic All-Conference honorees are listed below, classified alphabetically first by sport, then school.
