

MIAC honors 648 student-athletes with Winter/Spring Academic All-Conference selections

Posted: Jun 26, 2017

BLOOMINGTON, Minn. – Student-athletes in the Minnesota Intercollegiate Athletic Conference (MIAC) continue to achieve in both athletics and the classroom. For the second consecutive year, the MIAC has recognized more than 1,000 student-athletes with Academic All-Conference honors.

On Monday, the MIAC announced its 2016-17 Winter and Spring Academic All-Conference Teams, which included a total of 648 student-athletes. Combined with the 385 Fall-sport athletes who were honored in January, the overall total of Academic All-Conference selections for the 2016-2017 academic year sets a new Conference record of 1,033, one more than last year's previous high of 1,032.

The 648 Winter and Spring honorees also represent the second-highest seasonal total in MIAC history. The Academic All-Conference list spotlights 1,033 examples of student-athletes achieving excellence without compromise. The full Winter and Spring Academic All-Conference teams can be found below, and the Fall selections were announced in January.

Academically, student-athletes must be sophomores, juniors, or seniors with a minimum cumulative GPA of 3.5 on a 4.0 scale to qualify for MIAC Academic All-Conference recognition. Athletically, student-athletes in team sports must compete in 50 percent of their team's regular-season varsity contests. The team sports eligible were baseball, men's and women's basketball, men's and women's hockey, softball and men's and women's tennis. In addition, baseball pitchers who made five appearances or completed 20 innings pitched were eligible, as were hockey goalies who played in one-third (33.3 percent) of their team's total minutes played for the regular season.

The Winter and Spring individual sports each have sport-specific criteria, and they include golf, swimming and diving and both indoor and outdoor track and field. Golfers must compete in the MIAC Championships or complete a minimum of 12 competitive rounds in order to be eligible for the honor. The swimming and diving qualifications require a student-athlete to finish in the top 16 of an individual event or compete in a relay race at the MIAC championships to be eligible. Track and field qualifications require student-athletes to score in an individual event or compete on a relay team at the MIAC Championships.

Of the 648 Winter and Spring selections, 366 were women and 282 were men. Women's outdoor track and field led the way with 74 honorees and women's indoor track and field was next with 71 selections, followed by men's hockey with 57 student-athletes recognized.

MIAC Academic All-Conference honors are announced twice annually, after the completion of the fall and spring academic semesters. The 2016-17 Winter and Spring Academic All-Conference honorees are listed below, classified alphabetically first by sport, then school.
