

MIAC honors record 610 Winter-Spring Academic All-Conference honorees

Posted: Jun 25, 2014

ST. PAUL, Minn. -- The Minnesota Intercollegiate Athletic Conference (MIAC) prides itself on its high-achieving student-athletes, and their success both in athletics and in the classroom. The 2013-14 season proved to be a banner year for the league, which announced Wednesday it has recognized a record 610 MIAC Winter/Spring 2013-14 Academic All-Conference honorees. The 2013-14 cumulative total of 944 Academic All-Conference selections also smashed the MIAC's previous record.

The MIAC Academic All-Conference distinction is awarded to student-athletes who meet a combination of academic and athletic requirements. The previous best for Winter/Spring honorees was 455 in 2012-13, and the previous overall record was 785, also set last year. In addition to the record 334 Fall 2013 honorees, the MIAC set new records with both seasonal releases and crushed the overall record by triple digits.

"The MIAC is proud to recognize a record number of Academic All-Conference honorees," said MIAC Executive Director Dan McKane. "We are extremely committed to enriching the academic and athletic experience of our student-athletes, and those who meet our Academic All-Conference criteria are a great reflection of the balanced success championed throughout the MIAC and Division III."

The record spring total included 373 women and 237 men. Women's outdoor track and field led with 100 honorees, and women's indoor track and field was next with 82 and hockey and softball each had 47 honored. Men's indoor track and field had 55 student-athletes honored, while men's outdoor track and field was next with 50 selections, with baseball (36) and men's hockey (35) also each recognizing 35 or more MIAC men.

Academically, student-athletes must be a sophomore, junior, or senior with a minimum cumulative GPA of 3.5 on a 4.0 scale to qualify for MIAC Academic All-Conference recognition. Athletically, student-athletes in team sports must compete in 50 percent of their team's regular-season varsity contests. The team sports eligible were baseball, men's and women's basketball, men's and women's hockey, softball and men's and women's tennis. In baseball, pitcher's must compete in a minimum of 10 contests to qualify.

The winter and spring individual sports - swimming and diving and track and field - both had new athletic criteria in 2013-14, which contributed to the record number of honorees. Student-athletes in both sports had to finish in the top 16 of an individual event at the MIAC Championships, or compete in a relay race, to be eligible for Academic All-Conference honors. Though their split season continued this spring, golf student-athletes were honored as a fall sport.

MIAC Academic All-Conference honors are announced twice annually, after the completion of the fall and spring academic semesters. The 2013-14 winter and spring Academic All-Conference honorees are listed below, classified alphabetically first by sport, then school. To see the 2013 Fall All-Conference honorees, [click here](#), or [click here](#) to visit the MIAC Academic All-Conference archives.

MIAC WINTER/SPRING 2013-14 ACADEMIC ALL-CONFERENCE TEAM

Categorized alphabetically by sport, then school

Winter/Spring 2013-14 Total:	610
Fall 2013 Total:	334
2013-14 Total:	944
